

Project InVision International to Sponsor PMO Symposium 2008

NOVATO, CA - October 8, 2008

Project InVision International is pleased to announce their support as a platinum sponsor of **PMO Symposium 2008**, presented by the PMI Program Management Office SIG. This year's Conference will be held November 9th through 11th at the Hyatt Regency Hotel in San Antonio, TX.

PMO symposium 2008 is a dynamic event that provides opportunities for PMO practitioners, project managers, organizational leaders, and others with an interest in establishing or growing the value of a PMO.

Project InVision International provides on-demand software solutions to improve business performance for their clients including industry leaders: PricewaterhouseCoopers, AT&T, EDS, and TELUS. The Project InVision On Demand PMO helps businesses automate processes such as project and portfolio management and repeatable project delivery.

"PMO Symposium 2008 is a very important event that brings together the recognized top authorities on the PMO," states Matthew Meblin, Chief Executive Officer of Project InVision International, "through this event the PMI PMO SIG provides an ideal forum to learn from an engaging group of expert speakers and network with colleagues."

About the Project Management Institute (PMI)

With more than 265,000 members in over 170 countries, PMI is the leading membership association for the project management profession. PMI is actively engaged in advocacy for the profession, setting professional standards, conducting research and providing access to a wealth of information and resources. PMI also promotes career and professional development and offers certification, networking and community involvement opportunities. In fact, with nearly 260,000 certified, the Project Management Professional (PMP®) credential is the most widely recognized and only global certification in the profession. For almost 40 years, PMI has advanced the careers of practitioners who make project management indispensable for business results. Visit www.pmi.org or call (610) 356-4600 for more information.
